

Leave a Legacy

Virtual Lunch and Learn Series

Tamisha Keith, JD
Director of Gift Planning

What is planned giving? How can it benefit you?

Would you like to create an inheritance for your children and also help support North Carolina A&T State University?

Are you looking for a way to avoid capital gains tax on the sale of your home or investments?

Are you thinking about how to build your income for retirement?

Do you need a tax-efficient way to sell your business this year?

If you answered yes to any of these questions, a planned gift can help you achieve your goals. To learn more about the benefits of planned giving, please join us for "Leave a Legacy", a three part virtual brown bag lunch and learn series, sponsored by the I Love My 1891 Club and NC A&T University Advancement. To register, please contact Tamisha Keith, Director of Gift Planning at tikeith@ncat.edu or by phone at (336) 404-3710, and a Zoom link will be sent to you.
